QUOTES & PROPOSALS

10 prompts

- 1 Write a party rental quote for a {event_type} for {guests} guests on {date} at {venue}. Scope: {equipment_list}.
- 2 Create a rental proposal that upgrades a customer from basic tables/chairs to a fully themed package.
- 3 Draft a quote follow-up email 48 hours after sending no response. Keep the conversation open without pressure.
- 4 Write a 'last availability' urgency email for a customer sitting on a quote for an event on {date}.
- 5 Create a tiered proposal: Bronze (essential), Silver (full setup), Gold (premium themed experience).
- 6 Draft a wedding rental proposal cover letter that sets us apart from our competitors in {market}.
- 7 Write a corporate event rental proposal for {company_name}: {equipment_list}, delivery, setup, strike.
- 8 Create an add-on offer email sent 1 week before a confirmed rental: linens, lighting, generator, staffing.
- 9 Draft a multi-event discount proposal for a customer booking {num_events} events with us this season.
- 10 Write a no-show or unfulfilled inquiry follow-up: re-engage someone who inquired but never booked.

CUSTOMER COMMUNICATION

10 prompts

- 1 Write a booking confirmation email for a rental on {date}: order summary, deposit paid, balance due, timeline.
- 2 Create a pre-event logistics email sent 72 hours before delivery: time window, site access, setup requirements.
- 3 Draft a post-event follow-up email: thank them, ask for review, offer a rebooking incentive.
- 4 Write a damage deposit policy explanation email that's firm but friendly.
- 5 Create a delivery day notification text: 'Your rental crew is on the way — ETA {time}. Please have area clear.'
- 6 Draft a weather contingency communication for outdoor events: our policy, customer options, how to decide.
- 7 Write a rental extension request response: can we accommodate, cost, and logistics to confirm.
- 8 Create a venue contact coordination email introducing our delivery team and logistics to the event venue.
- 9 Draft a referral request email sent 1 week after a successful event: while they're still glowing.
- 10 Write a 'your event is {days} days away!' reminder email with final checklist for the customer.

INVENTORY & LOGISTICS

10 prompts

- 1 Create a rental equipment condition log: pre-delivery inspection, post-return inspection, damage notes, repair needed.
- 2 Write a delivery route optimization brief for {num_deliveries} deliveries on {date} across {geography}.
- 3 Draft an equipment damage claim form and customer communication template: what was damaged, cost to repair/replace.
- 4 Create an inventory availability calendar system description for managing double-booking prevention.
- 5 Write a seasonal inventory deep-clean and inspection checklist: what to check, repair, retire.
- 6 Draft a new equipment addition announcement to our rental catalog: {item_name}, available for {season}.
- 7 Create a lost/unreturned item collection procedure: remind, escalate, charge, document.
- 8 Write a delivery crew job briefing template: event address, equipment list, setup instructions, contact info.
- 9 Draft an equipment retirement memo: when to pull an item, how to depreciate, when to replace.
- 10 Create a warehouse organization SOP: how items are stored, labeled, pulled, and checked back in.

MARKETING & ADVERTISING

10 prompts

- 1 Write 10 Instagram captions for a party rental company: event photos, new inventory, tips, behind-the-scenes.
- 2 Create a spring/summer event season campaign email: popular items booking fast, reserve now CTA.
- 3 Draft a venue partnership proposal to {venue_name}: preferred vendor status, what we offer, what we ask.
- 4 Write a wedding season kickoff email campaign: why book early, our packages, testimonials, CTA.
- 5 Create a corporate event rental services one-pager for email outreach to event planners.
- 6 Draft a 'we just added' new inventory announcement: {item_name}, photos, event ideas, availability.
- 7 Write a Google Ads headline for party rental targeting 'tent rental {city}' and 'party rental near me.'
- 8 Create a styled shoot pitch to a wedding photographer about collaborating on a blog feature.
- 9 Draft a holiday party rental campaign for October–November: reserve your tent, tables, linens before {date}.
- 10 Write a customer success story post: '{event_type} for {guest_count} guests — here's how we pulled it off.'

WEDDINGS & LARGE EVENTS

10 prompts

- 1 Write a bridal consultation script: questions to ask, how to build rapport, how to present packages.
- 2 Create a wedding rental package proposal for a {guest_count}-person outdoor wedding on {date} at {venue}.
- 3 Draft a wedding day timeline for our team: equipment delivery, setup completion, client walkthrough, strike.
- 4 Write a wedding rental FAQ for our website: minimums, deposit, setup included, weather policy, tables vs. linens.
- 5 Create a 'intimate wedding under 50 guests' package description and pricing for our website.
- 6 Draft a large-event logistics coordination email to the event planner: timeline, site contact, crew info.
- 7 Write a proposal for a {guest_count}-person tented wedding: tent, flooring, lighting, tables, chairs, linens.
- 8 Create a post-wedding follow-up email requesting a testimonial and referral to their engaged friends.
- 9 Draft a styled shoot collaboration proposal for building our wedding portfolio with a venue partner.
- 10 Write a response to a bride asking why our pricing is higher than a competitor for the same items.

PRICING & PACKAGES

10 prompts

- 1 Create a rental package structure for {event_types}: basic, standard, premium tiers with clear differentiators.
- 2 Write a minimum order policy and explanation email for events under \${minimum}: professional, not dismissive.
- 3 Draft a delivery fee explanation that feels fair: distance tiers, same-day premium, fuel surcharge language.
- 4 Create a price increase announcement for the {season} season: effective date, appreciation, no-surprise tone.
- 5 Write a 'why our pricing is worth it' page section for our website. Differentiate on quality and service.
- 6 Draft a weekend premium pricing policy explanation for brides booking Saturday peak dates.
- 7 Create a bundled discount offer: rent 3+ categories and save {pct}%. Announcement email copy.
- 8 Write a damage waiver program description: optional coverage at \${price}, what it covers, what it doesn't.
- 9 Draft a late return fee policy and the communication sent when items aren't back on time.
- 10 Create a seasonal pricing sheet summary for tent rental: peak, shoulder, and off-peak rates.

OPERATIONS & CREW

10 prompts

- 1 Write a crew setup instruction sheet for a {tent_size} tent with {tables} tables, {chairs} chairs, and {lighting}.
- 2 Create a safety training outline for new rental crew: lifting techniques, tent staking, equipment handling.
- 3 Draft a driver dispatch brief: delivery addresses in order, load list per truck, key access notes, ETA expectations.
- 4 Write a crew performance review framework: setup quality, customer interaction, on-time, equipment care.
- 5 Create a tent takedown and strike checklist: damage inspection, cleaning, repack, truck loading.
- 6 Draft a customer complaint response for a setup error discovered on the event day.
- 7 Write a new hire training plan for a delivery and setup technician: week 1-4 progression.
- 8 Create a pre-event equipment QC process: what to inspect, how to document, who approves release.
- 9 Draft a crew overtime and emergency call-in policy for last-minute large events.
- 10 Write a post-event crew debrief form: what went well, what went wrong, equipment issues, customer notes.

VENDOR & VENUE RELATIONSHIPS

10 prompts

- 1 Write a preferred vendor application letter for {venue_name}: our company, what we offer, why we're a fit.
- 2 Create a wedding planner referral program announcement: what planners earn, how to refer, how to track.
- 3 Draft a styled shoot collaboration proposal to {photographer_name}: our items, their photos, mutual promotion.
- 4 Write a venue partnership agreement outline: exclusivity, referral structure, co-marketing, operational rules.
- 5 Create a 'meet our vendor partners' email for clients: introduce our preferred caterers, florists, and AV team.
- 6 Draft a co-hosted open house invitation with {venue_name}: tour, meet the vendors, special booking incentive.
- 7 Write a vendor thank-you note after a major event involving multiple partners.
- 8 Create a lead-sharing agreement memo with a complementary vendor (tent rentals + catering, for example).
- 9 Draft a proposal for sponsoring a bridal expo with our full-scale table, chair, and linen display.
- 10 Write an end-of-season thank-you email to venue partners with our recap and goals for next year.

REVIEWS & REFERRALS

10 prompts

- 1 Write a post-event review request text sent 2 days after the event: warm, short, direct Google link.
- 2 Draft a referral program announcement: 'Refer someone who books with us and get \${credit}.'
- 3 Write a 5-star review response for: {review_text}. Personal, grateful, highlights our team.
- 4 Create a negative review response for a complaint about a {specific_issue}: {review_text}.
- 5 Draft a testimonial collection email to 10 past clients from {year}. Make it easy to respond.
- 6 Write a featured review post for Instagram: customer quote + event photo + our response/caption.
- 7 Create a 'how'd we do?' post-event survey: equipment quality, delivery, setup, communication, overall.
- 8 Draft a loyalty program for returning clients: {num_rentals} = {reward}. Keep it simple and trackable.
- 9 Write a social media advocacy email: ask happy clients to tag us in their event photos this weekend.
- 10 Create a year-end 'thank you for an amazing season' email with our recap stats and an early bird offer.

BUSINESS GROWTH

10 prompts

- 1 Write a {year} business plan for our party rental company: revenue goal \${goal}, new inventory, new markets.
- 2 Create an inventory investment proposal for adding {item_type}: cost \${cost}, projected revenue \${rev}/season.
- 3 Draft a new market feasibility memo for expanding to {city}: event market size, competition, startup costs.
- 4 Write an annual financial review presentation: revenue, top event types, busiest months, profit by category.
- 5 Create a KPI dashboard for a party rental company: booking rate, average order value, utilization rate, etc.
- 6 Draft a credit line application narrative for purchasing {inventory}: business history, revenue, intended use.
- 7 Write a franchise model memo: could our party rental concept be franchised? What would it look like?
- 8 Create a competitive analysis of our top 3 competitors in {market}: pricing, inventory, reviews, weaknesses.
- 9 Draft a year-round revenue strategy to reduce the off-season slump: corporate events, holiday decor, storage rental.
- 10 Write a 3-year growth roadmap: from \${current_rev} to \${target_rev} through inventory, staffing, and geography.
